Dear Genesis Family and Friends,

We are so blessed be able to speak to God in such an intimate way! One on One, baby! He really wants us to lay our praises, repentance, burdens and desires at His feet. On top of that, He loves us enough to say no to things that would bring us harm. What's bad for me are the times He says no and I take matters in my own hands! One might think after 50 years I would have learned, but...

This month is gonna be great! As a people, we are going to have a church-wide emphasis on prayer. As part of this, we have a cheat sheet to guide us thru at least five minutes of prayer each day. For those of you who are thinking, "Five minutes? I wish I had ONE free minute a day!" fear not! A couple of ideas are:

Pray in the shower and feel even more refreshed when you are finished.

Pray through the commercials of your favorite TV Show. You'll have enough time to pray for five minutes AND still get something to drink!

Pray while you are stopped at a red light, pumping gas, standing in the grocery line...OH! How about praying while waiting at the license bureau? You can pray your way to world peace in that amount of time!!!

Pray anywhere, anytime! We have supplied you with pray ideas for each day including a place to write your own thoughts. You will find requests for Genesis Church, our community, nation, cultural concerns, missionaries and upcoming special events, to name a few. I encourage you to pray 'out of the box'. Prayer is an amazing midday pick me up with out the excessive amounts of caffeine man made remedies carry. So, save five bucks a day and join us as we Pray Our Way thru May!

During each day, we will provide you with a Scripture on which to meditate, and a format using the acrostic "PRAY" for your prayer time.

Praise - We will give you some ways to express your praise and adoration for God.

Repent - Our daily prayer life ought to include confession and honesty with God about our struggles and sin.

Ask - Each day we will give you three issues to include in your prayer for the day. One will be personal, for you. The second will involve issues of community, evangelism, culture, and other thing we should pray for, according to the Scriptures. The third will involve a prayer need for our church.

Yield - The last portion in our prayers each day will be a statement about how we can surrender our lives to God and His will in a deeper way.

Our hopes is that spending the thirty-one days praying will drive this spiritual discipline deep into your life, and that you will grow in your walk with Jesus.

Sincerely, as I am blessed and my sins paid for by Christ Jesus who loves me enough to die on the cross,

Those who do not know Jesus
Those who do know Jesus, yet choose to sleep in rather than worship.
For every home without a bible in it.

I hope you see that your prayer list is unlimited. Say a quick prayer for the guy who cuts you off in traffic...you have no idea what has caused him to drive recklessly or when the last time was that someone took a few seconds to lift his name to the ears of Jesus! As my grandma used to say, "Smile and be nice. Let Jesus sparkle in your eyes"!

Bless you!
